Summer Pistol League – 2020 Annual Report
September 10 , 2020**

Summer Pistol League (2020) wrapped up another season on September 3rd. Over the course of the summer 87 individual relays were shot during 9 evening matches. Eight individuals came out to test their skills in shooting single-handed. Due to Covid-19 and mother nature we were only able to meet 9 times vs our normal schedule of about 18 evenings. Understandably our attendance was down substantially.

Congratulations to Joe Megill who took First Place and John Fanizzo who took Second place in Rimfire Unassisted. Highest single relay scorer for the season was Joe Megill in Rimfire Unassisted with a 281 (max 300) and 5 x's. Joe also scored the highest individual stage scores of 98 (max 100) not once, not twice but 3 times. Final scores for all shooters are available on our web site.

Thanks to all for your help and support during the season, especially to Allen Kupisioski who was there early every evening to set up for the events.
